

Cosmos Philosophy

By Jeremy Tiefenbrun

Cosmos Philosophy

(Lite edition).

By Jeremy Tiefenbrun

Cosmos Philosophy

A way of life, philosophy

Friends with Ktarnah

Private, vip, practical logic

The system and its uses

Discriminate out money and religion

as a ruling or acceptable force

Purpose: to discover true love unclouded by old system greed.

Collective build- free structure society. Test or leave.

Organizational structure- Star Trek

Indifference to religious intolerance and its idealism

The story of Cosmos Philosophy

Cosmos philosophy: What I see

Community and interstellar network

A meditation In Quick-Time deep space, private. Share only in the group idea or there's trouble against an immature and intolerant unready religious humanity.

Screen and test for entry every five years. It is very possible this philosophy may have to happen off-world with a interplanetary

neighbor. Religion must earn the respect of cosmos, not the other way around. No means no.

Philosophy of the Planet Ktarnah

LM, T'rot, Ktak mind law and protection (No means No).

(E) in every known planet

Energy being worlds and realms

Go with the flow of life, strommen, or The Talek in Ktarnan language

Anxiety mgmt and push-out techniques

The Physical in The Talek

Keyloch- distance and fair weather

Being simple is safe.

Life is life. Community.

Any organizer of a cosmos community is known as a Pioneer
I'm just an author, cosmic. There will be council leaders called
Facilitators, not gods. There are many aspects and perspectives
of Cosmos. This is my Way.

Fortress Blue- Regenerate in cosmos!

Balancing opposing energies in a cancel-out
Only in Ktarnah world- Interstellar philosophy.

Learn in balance and peace!
